MCLE Resolution No. 2, s. 2010

That in the preparation and presentation of an MCLE program of activities the MCLE Provider, instead of fixing the price for the entire program, should price the subjects individually so that a lawyer who has already earned credit units in any subject in the program may opt to skip it and pay only for the subjects that he chooses to attend and earn credit units for.

This resolution shall take effect immediately.

3 March 2010.
